Scourge of War - Gettysburg: CD Edition: Preorders Now Being Accepted!

Norb Software Development, Inc. announces that it is now accepting preorders for the CD version of its highly reviewed and award winning Civil War game *Scourge of War - Gettysburg*. The CD includes extra content not found in the direct download version including:

- A full color 113 page printed game manual.
- Additional files on the CD:
 - o Eight historical maps of the Gettysburg battlefield.
 - o A set of historical maps of the town of Gettysburg.
 - o Four complete mods for the game produced by members of the development team.
 - o A collection of five additional sprite sets that can be included in mods.

- The complete Official Records containing the commanders reports from both Union and Confederate generals.
- The complete Order of Battle for the entire Gettysburg Campaign.
- A listing of the twenty best books written about the Battle of Gettysburg.

Preorders are now being accepted at **special introductory price of \$54.99.**

See our website <http://www.scourgeofwar.com/purchase.shtml> for full details and to place your preorder.

The CD program is version 1.101, which includes the option of activation via email as well as the normal internet activation method.

The demo version available on the Scourge of War website at: <http://www.scourgeofwar.com/downloads.shtml> is now at version 1.101.

NorbSoftDev is an independent game company made up of Civil War fanatics! Formed in 2006 by former developers of the Take Command series, NSD has taken the 18th Century Combat engine to the next level by adding multiplayer, making the maps larger, and the AI smarter! Scourge of War Gettysburg is the first release in their series of Civil War battle recreations. With a cartographers eye, they recreate the historical battlefields and the men that fought there. With its main office in New Jersey, NSD is a virtual company consisting of game veterans from all over the globe.

Please contact NorbSoftDev for bulk order discounts also if you are interested in reselling Scourge of War - Gettysburg.
